(Gary Moore)

I used to wake up in the morning with an aching head. I couldn't remember anything I'd said.

My friends told me I was getting out of line.

If it wasn't for you baby, I'd be doing time.

Since I met you baby, You've made a new man of me. Since I met you baby, I'm happy as a man could be. Yes. I am.

I used to think I was better than the rest. Ain't no doubt about it, I was no second best. Didn't seem to matter what was right or what was wrong.

I did some crazy things before you came along.

Since I met you baby, You've made a new man of me. Since I met you baby, I'm happy as a man could be. Yes, I am.

Since I met you baby.
Since I met you baby,
I'm happy as a man could be.
One more time!

Since I met you baby.
Well, since I met you baby,

I'm happy as a man could be. Yes, I am.

Happy as a man can be. You tell 'em Gary! Yeah!
