Used to be so easy  
To give my heart away  
But I found out the hard way  
There's a price you have to pay  
I found out that love is no friend of mine  
I should've known time after time

So long  
It was so long ago  
But I've still got the blues for you

Used to be so easy  
To fall in love again  
But I found out the hard way  
It's a road that leads to pain  
I found that love was more than just a game  
You play and you win  
But you lose just the same

So long  
It was so long ago  
But I've still got the blues for you

So many years since I've seen your face  
But here in my heart  
There's an empty space  
Where you used to be

(SOLO)

So long  
It was so long ago  
But I've still got the blues for you

Though the days come and go  
There is one thing I know  
I've still got the blues for you
