There must be a way
To save this heart of mine.

From the first time that I saw you girl,
I was living in a different world.
Oh, you set my soul on fire.
I could see you were my heart's desire.

There must be a way
To save this heart of mine.
There must be a way
To save this heart of mine.

From the first time that I saw your face,
I knew no one could ever take your place.
Ooh, you set my soul on fire.
I could tell you were my heart's desire.

There must be a way
To save this heart of mine.
There must be a way
To save this heart of mine.

Girl, don't you know
That it's always been you.
I just want to love you
My whole life through.

There must be a way
To save this heart of mine.
There must be a way
To save this heart of mine.

There must be a way.
There must be a way.
There must be a way.
