It's not the same
When I look in her eyes
The magic's not there
And when I look, I realize
What we could have shared

I'm always gonna love you
If loving means forever
I'm always gonna want you
I don't think I could ever
Just forget the love we had

It's not the same when
She's here in my arms
Or the smile on her face
And even though with all of her charms
She can't take your place

I'm always gonna love you
If loving means forever
I'm always gonna want you
I don't think I could ever
Just forget the love we had

It's not the same
When I look in her eyes
The magic's not there
And when I look, I realize
What we could have shared

I'm always gonna love you
If loving means forever
I'm always gonna want you
If loving means forever

I'm always gonna love you
If loving means forever
I'm always gonna want you
If loving means forever
I'm always gonna love you
