(Willie Dee/Tony Newton/... Hitchings)

Don't you break me,  
leave me shakin' like a leaf on a tree.  
I can't face it,  
I can't make you fall in love in me.

Late at night when I retire,  
baby, your eyes set me on fire.  
I know I never felt much higher  
because of your love.  
Because of your love.

It's no wonder,  
girl, with a single kiss you can make me freeze.  
Please don't tease me,  
say that you need me, I'm all on my knees.

You know you made me sacrifice  
everything I knew was right.  
Now I can't even sleep at night  
because of your love.  
Because of your love.

Please, won't you set me free,  
I'm riding on stormy sea.  
I'm all broke up inside

from all the tears I've cried.

I'm in love.

Please, won't you set me free,  
I'm riding on stormy sea.  
I'm all broke up inside  
from all the tears I've cried.

Please, won't you set me free,  
your love's got a hold on me.

Because of your love.

I need your lovin'.  
I need your lovin', need your lovin'.
