(Gary Moore)

In this world of make believe,
I will try to find a way.
It's so easy to deceive
What you do or what you say.

I would never try to ever break your heart,
Even though it seems I tear your soul apart.
I would never try to hurt you,
Never leave you or desert you.
Try to understand, I just can't help myself.

In this world of make believe,
I will try to find a way.
It's so easy to deceive
What you do and what you say.

I would never try to ever break your heart,
Even though it seems I tear your soul apart.
I would never try to hurt you,
Never leave you or desert you.
Try to understand, I just can't help myself.
I just can't help myself.

In this world of make believe,
I will try to find a way.
It's so easy to deceive
With what you do and what you say.

I would never try to ever break your heart,
Even though it seems I tear your soul apart.
I would never try to hurt you,
Never leave you or desert you.
Try to understand, I just can't help myself.
I just can't help myself.

No, I can't help myself.
