(Gary Moore)

I'm a man with something to say.
I don't need nobody to show me the way.
I don't care if it's day or if it's night.
There ain't nobody who's gonna teach me wrong from right.

'Cause every hungry woman
has tried to make a fool out of me.
Every hungry woman,
stick around and baby you'll see.
I'm cold hearted.
I'm so cold hearted.

I'm a man with a mind of my own.
I don't need nobody, I'm happy all alone.
I don't care if it's day or if it's night.
There ain't nobody who's gonna teach me wrong from right.

'Cause every hungry woman
has tried to make a fool out of me.
Every hungry woman,
stick around and baby you'll see.
I'm cold hearted.
I'm so cold hearted.

I'm cold hearted.
I'm so cold hearted.

Let me show you why they call me cold hearted, baby.

Every hungry woman
has tried to make a fool out of me.
Every hungry woman,
stick around and baby you'll see.

I'm cold hearted.
I'm so cold hearted.
I'm cold hearted.
I'm so cold hearted.

Baby, I tell you I've got a heart that's made of stone.
