(Gary Moore)

Sun don't shine 'round here no more,
since my baby walked on out that door.
She broke my heart, make no mistake.
All I did was give.
All she did was take.
But don't you know,
where she goes,
the cold wind blows.

Well, my baby told so many lies.
I couldn't see through my blinded eyes.
She choked me up with her bad, bad seed.
Took the flowers I gave her
and strangled them with weeds.
But don't you know,
where she goes,
the cold wind blows.

I ain't gonna cry no more.
I ain't gonna cry no more.
I ain't gonna cry no more,
cry no more.

Sun don't shine 'round here no more,

since my baby walked on out that door.
She broke my heart, make no mistake.
All I did was give.
And all she did was take.
But don't you know,
where she goes,
the cold wind blows.
The cold wind blows.

I ain't gonna cry no more.
I ain't gonna cry no more.
I ain't gonna cry no more.
I ain't gonna cry no more.
Ain't gonna cry no more,
cry no more.
Gonna cry no more.

Ain't gonna cry no more.
