Bell has tolled, my baby caught that train n' gone
Bell has tolled, my baby caught that train n' gone
It was all my fault, must have done somebody wrong

Everything that happens, you know I get the blame
Everything that happens, you know I get the blame
Gonna find myself a doctor, maybe my luck will change
Yeah

(Guitar)

My mama and papa told me, this day would surely
come
But I wouldn't listen to them, I had to have my fun

Bell has tolled, my baby caught that train n' gone
It was all my fault, must have done somebody wrong
Yes I did

(Guitar)

Bell has tolled, my baby caught that train n' gone
Bell has tolled, my baby caught that train n' gone
It was all my fault, must have done somebody wrong
Yes I did
