Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you  
That I'm in love with you

Don't believe me if I tell you  
That I wrote this song for you  
There just might be some  
Other silly, pretty girl I'm singing it to

Don't believe a word  
'Cause words are only spoken  
And a heart is like a promise  
Meant to be broken

Don't believe a word  
'Cause words can tell lies  
And lies are no comfort  
When there's tears in your eyes

Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you that  
I'm in love with you

Don't believe a word  
Don't believe a word  
Don't believe me, don't believe me  
Not a single word

Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you  
I'm in love with you

Don't believe me if I tell you  
That I wrote this song for you  
There just might be some  
Other silly, pretty girl I'm singing it to

Don't believe a word  
'Cause words are only spoken  
And a heart is like a promise  
Meant to be broken

Don't believe a word  
'Cause words can tell lies  
And lies are no comfort  
When there's tears in your eyes

Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you that  
I'm in love with you

Don't believe a word  
Don't believe a word  
Don't believe me  
Don't believe me  
Don't believe me
