(Gary Moore/Neil Carter)

Loneliness is your only friend.
A broken heart that just won't mend
Is the price you pay.
It's hard to take when love grows old.
The days are long and the nights turn cold
When it fades away.
You hope that she will change her mind,
But the days drift on and on.
You'll never know the reason why she's gone.

Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
You see her face in every crowd.
You hear her voice, but you're still proud,
So you turn away.
You tell yourself that you'll be strong.
But your heart tells you,
This time you're wrong.

Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
You hope that she will change her mind,
But the days drift on and on.
You'll never know the reason why she's gone.
Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.

Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
Empty rooms,
Where we learn to live without love.
