(Gary Moore)

I've been searchin' for something I might never find.
I've been looking for something I have left behind.
I've been searching every day in the rising sun.
I've been trying to find my way till the day is done.
I've been searching.
Hm-hm-m-m.

I've been reaching for something I might never touch.
And I've been dreaming of something that I want so much.
I've been counting all the tears in the falling rain.
I've been trying to hide my fears, but it's all the same.
And I don't know if I'll ever pass this way again.

I can't wait until tomorrow.
It's something I might never see.
I can't wait until tomorrow,
for tomorrow never waits for me.
Tomorrow never waits for me.

I can't wait until tomorrow.
It's something I might never see.
I can't wait until tomorrow,
for tomorrow never waits for me.
Tomorrow just won't wait for me.

Tomorrow never waits for me.

I've been searchin' for something I might never find.
And I've been looking for something I have left behind.
I've been counting all the tears in the falling rain.
I've been hiding all my fears, but it's all the same.
And I don't know if I'll ever pass this way again.

I can't wait until tomorrow.
It's something I might never see.
I can't wait until tomorrow,
for tomorrow never waits for me.

I can't wait until tomorrow.

It's not the place I wanna be.
I can't wait until tomorrow,
for tomorrow just won't wait for me.
