When you're down and out and you feel real hurt
Come on over to the place where I work
Loneliness I'll try to soothe
I'll play the blues for you

Don't be afraid come on in
You might run across some of your old friends
Loneliness I'll try to soothe
I'll play the blues for you

(Guitar)

I ain't no big name and I ain't no big star
But I'll play the blues for you my guitar
Loneliness I'll try to soothe
I'll play the blues for you

Yes I will
Excuse me
