I've been thinking 'bout you,
Drinking 'bout you.
Tryin' to face up
To the fact that we're through.
The moment I wake,
The whole day through,
I'm livin' with the blues.

Minding my time,
Drinking the wine.
Tryin' to accept
That you're no longer mine.
The moment I wake,
The whole day through,
I'm livin' with the blues.

Hearts can be broken,
Sometimes they mend.
Words left unspoken
Right to the end.

I'll be thinking 'bout you,
Just drinking 'bout you.
Tryin' to face up
To the fact that we're through.
The moment I wake,
The whole day through,
I'm livin' with the blues.

Thinking 'bout you,
Just drinking 'bout you.
Tryin' to face up
To the fact that we're through.
The moment I wake,
The whole day through,
I'm livin' with the blues.

The moment I wake,
The whole day through,
I'm livin' with the blues.
