I was looking back to see
If she was looking back to see
If I was looking back at her

I saw her walking down the street
The little girl just looked so sweet
I followed her for half a mile
I had to stop and talk a while

I was looking back to see
If she was looking back to see
If I was looking back at her

She had yellow, golden hair
I'm gonna follow everywhere
She had a wiggle when she waked
I wanted her to stop and talk

You know that
I was looking back to see
If she was looking back to see
If I was looking back at her

She had yellow, golden hair
I'm gonna follow everywhere
She had a wiggle when she waked
I wanted her to stop and talk

You know that
I was looking back to see
If she was looking back to see
If I was looking back at her

You know that
I was looking back to see
If she was looking back to see
If I was looking back at her

You know that
I was looking back to see
If she was looking back to see
If I was looking back at her
