(Gary Moore)

Can't seem to find no way out of here,
But maybe I'm not even trying.
Every day one thing becomes so clear,
There is no point in denying.

That I'm lost in your love,
I'm so lost in your love.

It's been this way such a long, long time,
Oh, ever since I can remember.
From that sweet moment when you were mine,
On that cold night in November.

I've been lost in your love,
I'm lost in your love.
I'm so lost in your love,
So lost in your love.

Can't seem to find no way out of here,
But maybe I'm not even trying.
Every day one thing becomes so clear,
There is no point in denying.

That I'm lost in your love,
So lost in your love.
I'm so lost in your love.
I'm so lost in your love.

I'm lost.
I'm lost.
I'm lost.
I'm lost.

I'm so lost.
I'm so lost.
I'm lost.
I'm so lost inside your love,
Inside your love,
Inside your love.
