(Gary Moore)

One of these days we'll be together.

One of these days we'll be as one.

Love and illumination

all across every nation.

One fine day, we will walk in the sunshine.

One fine day, we will reach to the stars.

Oh-oh, wow-wow-wow-wow-wo-wow.

One of these days we'll be together.

One of these days we'll be as one.

Love and illumination

all across every nation.

One fine day, we will walk in the sunshine.

One fine day, we will reach to the stars.

Oh-oh, wow-wow-wow-wow-wo-wow.

Even as we speak, time marches on.

Even as we speak, the devil's plan goes on.

One fine day, we'll be together.

One fine day, we'll be as one.

Oh-oh, wow-wow-wow-wow-wo-wow.

Oh-oh, wow-wow-wow-wow-wo-wow.

One fine day.

One fine day.

One fine day.

One fine day.

One fine day.

One fine day.
