(Gary Moore)

Take me out of here.

This place is gettin' much to small.

Make me disappear,

Vanish through the nearest wall.

Give me one good reason why I should stay.

Give me one good reason to go on this way.

Give me one good reason why I should stay with you,

With you.

Take me out of here.

This place is closing in on me.

Make it disappear,

Somewhere else I wanna be.

Give me one good reason why I should stay.

Give me one good reason to go on this way.

Give me one good reason why I should stay with you,

With you.

How, yeah.

Give me one good reason why I should stay.

Give me one good reason to go on this way.

Give me one good reason why I should stay with you,

With you, with you.

Take me out of here.
