You say we're in love
Well I don't know how to tell you
It's not the way it seems
And you think you really love me,
And you're waiting for the earthquake
You've been feeling in your dreams
And though I might send you flowers
Enjoy your company
Even call you every day when we are grow
When all is said and done
All it is, is a simple pretty maids all in a row

I can give you up any time I want to
(Love is a drug but it won't take hold)
I can give you up any time I need to
(You make it hard, but I'm in control)
Sometimes I think
I was a fool to love you so
I'm at the point of no return
I might even to lose in a row
I might even to lose in a row

You're making me crazy
Till I don't know what I'm saying
It's coming out confused
And I don't really need you, no
You're just another heartache
I wish I could refuse
And though I might seem obsessive
'Cos I want you constantly
Don't go thinking
That it's something places to go
When all is said and done
All it is, is a simple pretty maids all in a row

'Cos I can give you up any time I want to
(Love is a drug but it won't take hold)
Yes, I can give you up any time I need to
(You make it hard, but I'm in control)
Sometimes I think
I was a fool to love you so

I'm at the point of no return
I might even to lose in a row
I might even to lose in a row

'Cos when all is said and done
All it is, is a simple pretty maids all in a row
When all is said and done
I wish it was a simple pretty maids all in a row
You're makin' me crazy
I was a fool
A fool to love you so
