Use to be so easy
To give my heart away
But I found that the heartache
Was the price you have to pay
I found that that love is no friend of mine
I should have know'n time after time
So long
It was so long ago
But I've still got the blues for you
Use to be so easy
Fall in love again
But I found that the heartache
It's a roll that leads to pain
I found that love is more than just a game
Play and to win
But you loose just the same
So long
It was so long ago
But I've still got the blues for you
So many years since I seal you face
You will my heart
There's an emty space
Used to be
(SOLO)
So long
It was so long ago
But I've still got the blues for you
Golden days come and go
There is one thing I know
I've still got the blues for you
