She's that kind of woman  
No doubt about how she feels  
She's holding promises  
Her eyes won't tell, her lips are sealed

And I like her like that  
She's kind of crazy  
I think I know what I'm looking for  
That kind of woman  
I think I know what I'm looking for  
That kind of woman

Standing in the doorway  
With the sunlight in her hair  
She's watching the wind blow  
You know she don't have a care

I like her like that  
She's kind of crazy  
I think I know what I'm looking for  
That kind of woman  
I think I know what I'm looking for  
That kind of woman

She's got the look so cool  
You know what I mean  
Got the wickedest smile that I've ever seen  
I crashed my heart on the side of the street  
That she once stood on  
She's that kind of woman

I like her like that  
She's pretty amazing  
I understand why I want some more  
That kind of woman  
One look from her knocks me on the floor  
That kind of woman

She's that kind of lady  
That you meet in a dream of dreams  
Puts others in her shadow  
But you know this woman's real

And I like her that  
Huh, she's kind of crazy  
I think I know what I'm looking for  
That kind of woman  
I think I know what I'm looking for  
That kind of woman

I think I know what I'm looking for  
That kind of woman  
I said I know what I'm looking for  
That kind of woman  
That kind of woman  
That kind of woman

(That kind of woman)  
(That kind of woman)  
(That kind of woman)
