(Gary Moore)

The same with all the human race,
With nothin' to take it's place.
We want lovin',
We want love.

Every woman, every man,
Tryin' to do the best they can.
They want lovin',
They want love.

Everybody on this earth,
Tryin' to find out what they're worth.
They want lovin',
They want love.

Every woman, every man,
Tryin' to do the best they can.
They want lovin',
They want love.

They want lovin',
They want love.

Everybody on this earth,
Tryin' to find out what they're worth.
They want lovin',
They want love.

The same with all the human race,
With nothin' to take it's place.
They want lovin',
They want love.

We want lovin',
We want love.
We want lovin',
We want love.

We want lovin',
We want love.
