There were fourteen reasons for sayin' goodbye  
Like the look on her face and the look in her eye  
And the way that she broke the man down  
Left the man in pieces here on sinkin' ground

There were fourteen nights when she didn't come by  
Fourteen days when she left the man wondering why  
He even bothered to try  
So baby, bye bye

On the outside  
Baby's such a pretty girl  
On the inside, baby ain't so pretty  
Pretty soon she'll find a lonely little world

And there'll be one less man that the girl can bring  
down  
One less man with his eyes on the ground  
And his heart in his hands for the take  
No more promises for baby to break

There'll be one less man with a tear in his eye  
One less man who'll be hangin' 'round  
Wondering why he even bothered to try  
So baby, bye bye

On the outside  
Baby's such a pretty girl  
On the inside, baby ain't so pretty  
Pretty soon she'll find a lonely little world

And there be one less man that the girl can count on  
One less man she'll find hangin' strong  
To the dream that she could never change now  
Comes to change and baby don't know how

Baby's such a pretty girl

There'll be one less man with a tear in his eye  
One less man who'll be hangin' 'round  
Wondering why he even bothered to try  
So baby, bye bye

Baby, bye bye  
Baby, bye bye  
Baby, bye bye  
Baby, bye bye  
Baby, bye bye

Baby, bye bye  
Baby, bye bye  
Baby, bye bye  
Baby, bye bye  
Baby, bye bye  
Baby, bye bye
