(Gary Morris - Eddie Setser)

Thought I'd play the game forever
But I'd played it as long as I can
And it's starting to drive me crazy
Callin' it love and callin' her baby
I got leave it while I can.

Chorus:

Don't look back
When you know it's over
Don't look back
If love's come and gone
Don't look back
Ain't no need in crying
There's a place for memories
A time for movin' on.

Now I'm going through some changes
Learnin' to take it a love at a time
Southern Belles and Yankee Ladies
It's my time to drive em' crazy now
And I got movin' on my mind.

Don't look back
When you know it's over
Don't look back
If love's come and gone
Don't look back
Ain't no need in crying
There's a place for memories
A time for movin' on.

Couldn't take it
I had to leave
Now it's all just history.

Don't look back
When you know it's over
Don't look back
If love's come and gone

Don't look back
Ain't no need in crying
There's a place for memories
A time for movin' on...
