Sometimes I think I'm over you  
And free to love again  
Then part of me lets go of you  
But my heart keeps givin' in

Keeps givin' into memories  
And dreams that won't come true  
Sometimes I think I'll never be  
Really over you

Dreams die hard  
When they don't come true  
Dreams die hard  
And there's nothing you can do

Dreams die hard  
When they take your pride  
It's hard to find a new dream  
With an old one in your eyes

Sometimes I go a day or two  
You don't even cross my mind  
I think maybe it's finally true  
Gonna leave the past behind

Then I see someone who looks like you  
From a window on the street  
I know it's not really you  
But my heart still skips a beat

Dreams die hard  
When they don't come true  
Dreams die hard  
And there's nothing you can do

Dreams die hard  
When they take your pride  
It's hard to find a new dream  
With an old one in your eyes

It's hard to find a new dream  
With an old one in your eyes
