(Gary Morris)

I'm a torn up no good bad boy
Now your gone
I'm ripped apart
Stop the moon
It's full an risin'
And there's nothin' worse than a full moon
On an empty heart.

Had a chance to make you happy
Turn it down I missed the mark
Now I cry alone in shadows
And there's nothin worse than a full moon
On an empty heart.

Chorus:
I'm here to prove that a man can fall
From glory out of grace
Down on my knees
Ain't no place at all
I'm comin' face to face
With the facts
I'm alone
And I want you back.

Darlin' please reconsider
If you do I'll do my part
Girl I promise I'll deliver
Don't leave me here
With a full moon
And an empty heart.

I'm here to prove that a man can fall
From glory out of grace
Down on my knees
Ain't no place at all
I'm comin' face to face
With the facts
I'm alone
And I want you back.

Darlin' please reconsider
If you do I'll do my part
Girl I promise I'll deliver
Don't leave me here
With a full moon
And an empty heart...
