(Gary Morris - Gerry House)

How did I get here
in these arms tonight
Am I just lucky or did he guide me
through the night.

What if I missed you, the only thing in life
that turned out right.
How did I get here
in these arms again tonight.

What made it happen
Maybe I shouldn't know
Is it like asking
what makes the oceans roll.

I'll take this moment as forever
and I'll never wonder why
How did I get here
in these arms again tonight.

If you wake before morning
And catch me in my dreams
Will you wake me or will
you lie there wondering.

How did I get here
in these arms tonight
Am I just lucky or did
he guide me through
the night.

What if I missed you
the only thing in life
that turned out right
How did I get here
in these arms again tonight.

How did I get here
in these arms again tonight...
