(Troy Seals - Eddie Setser)

Sometimes it happens overnight  
Sometimes it can take years  
Sometimes there ain't no warnin' signs  
Til you're covered up with tears.

Don't you wanna tell me what's goin' on  
Tell me where this feelin' came from  
Neither one of us can live like this  
Girl, something must be done.

Chorus:

I can feel the fire goin' out  
I can feel us driftin' away  
There's no love in the lovin' we make  
Are you just holdin' on for my sake  
As we lie here in the shadow of a doubt  
I can feel the fire goin' out.

Let's hold each other just one more time  
To see if we can bring back that old touch  
Tonight may be all that we'll ever have  
'Cause the sun's goin' down on us.

Chorus:

I can feel the fire goin' out  
I can feel us driftin' away  
There's no love in the lovin' we make  
Are you just holdin' on for my sake  
As we lie here in the shadow of a doubt  
I can feel the fire goin' out...
