(Gary Morris - C. Cannon)

The touch of your fingers  
Reminds me I'm out of control  
A kiss from you lingers  
Forever down deep in my soul  
The child in me whispered  
It's safer to run  
The man, he surrendered  
And I still come undone.

Chorus:

'Cause I Do  
Love you with all of my heart  
And I'll be true  
Just like I've been from the start  
Believin' is easy you will or you won't  
I couldn't tell you I do if I don't  
'Cause I do love you with all of my heart.

You are the reason I trust in the way that I feel  
You keep me believin in dreams  
'Cause you made mine all real  
So pick up the tempo and slow down the time  
I want forever and you to be mine.

Chorus:

'Cause I Do  
Love you with all of my heart  
And I'll be true  
Just like I've been from the start  
Believin' is easy you will or you won't  
I couldn't tell you I do if I don't  
'Cause I do love you with all of my heart.

I swear you'll be mine one and only  
Now that I found you  
My world turns around you  
I'm bound to you  
I love the sound of  
I love you.
