(Bill Boling - Jim Hurt)

Love you used to burn like fire
You'd lift me up and then you'd take me higher
There were times I thought I knew you well
My how times change.

Dreams I used to have my share
But dreams come easy when somebody cares
It's been so long sometimes it's hard to tell
If I'm still in the game.

Chorus:

I'd be the first to fall in love again
If it ever comes my way I'd know it well
I'd give my heart and my soul away
And I'd be the first to fall in love again.

Love you were my closest friend
But times get hard and precious moments end
That's not to say that I won't try again
"Cause broken hearts mend.

Chorus:

I'd be the first to fall in love again
If it ever comes my way I'd know it well
I'd give my heart and my soul away
And I'd be the first to fall in love again...
