Leave me lonely
Leave me alone
I got somebody special
Waitin' back home
She saves her love for me
I save my love for her.

You're awful pretty, so pretty girl
I'd love to talk to you but I don't wanna
Lead you on to somewhere
I don't wanna go, don't wanna go
So please understand
I'm doing the best I can
To be faithful and true
And it matters to me and her
The matter is one man faithful and true
To me, to her, and to you.

Somewhere else girl, some other time
I might take you home, I might make you mine
I'd do for you, what I'm doing for her
If things were different, oh, but there now I can't
Give to you what I haven't got to give anymore
I've given my love, given my love.

So please understand
I'm doing the best I can.

Please understand
I'm doing the best I can.

Just leave me lonely, leave me alone
I got somebody special waitin' back home
She saves her love for me
I save my love for her.

So please understand
I'm doing the best I can
To be faithful and true

And it matters to me and her
The matter is one man faithful and true
To me, to her and to you...
