(Gary Morris - Craig Karp)

Girl won't you let me
Let me hold you tight
Girl won't you let me
Let me hold you tonight
In my arms, in my bed
Instead of my dreams.

Girl won't you let me
Let me deep in your heart
Girl won't you let me
Let me next to the part of you
You've saved till now
Wondering how this moment would be.

I thought you'd know when the time was right
I'm askin' you to decide tonight
Somebody loves you and it's me
Let me, let me.

Chorus:
Girl won't you let me
Let me under your skin
Girl won't you let me
Let me tell you again
It's dreams that bind
Now is the time
Let the dreams come true.

I thought you'd know when the time was right
I'm askin' you to decide tonight
Somebody loves you and it's me
Let me, let me.

Girl won't you let me
Let me under your skin
Girl won't you let me
Let me tell you again
It's dreams that bind now is the time
Let the dreams come true.

Girl won't you let me
Let me hold you tight
Girl won't you let me
Let me hold you tonight
Girl won't you let me
Girl won't you let me
Girl won't you let me hold you tight
Girl won't you let me
Let me under your skin...
