(Paul Williams)

With one more look at you
I could learn to tame the clouds
And let the sun shine through
Leave the troubled past
That I might start anew.

I'll solve the mysteries
If you're the prize
Refresh these tired eyes.

With one more look at you
I might overcome the anger
That I've learned to know
Find a peace of mind
I lost so long ago.

Your gentle touch
Has made me strong again
And I belong again.

For when you look at me
I'm everything and more
That I had dreamed I'd be
My spirit fills a promise
I won't be alone
We'll love and live more
Love and live forever.

With one more look at you
I'd learn to change the stars
And change our fortunes too
I'd have the constellations
Paint your portrait too
So all the world might share
This wondrous site
The world could end each night.

With one more look at you
With one more look at you.

I want one more look at you...
