Gary Morris & Crystal Gayle

You can live it up
Cos it's so easy just to give it up
But we never learn
Til we're past the point of no return
A...A...A...A...A... goodbye
Spend your heart so you can see your pride

Take one more try for love
One more do or die for love
Win, lose or tie for love
One more try for love

Do I read your love
Even though I may not need your love
Pray for me in my hour of need
Then pray for me
Do your best
If that's not good enough then raise your price

Take one more try for love
One more do or die for love
Win, lose or tie for love
One more try for love

You can call it quits
When you know for sure that's all there is
Win, lose or tie for love
Take one more try for love
One more do or die for love

Take one more try for love
One more do or die for love
Win, lose or tie for love
One more try for love

Take one more try for love
One more do or die for love
Win, lose or tie for love
One more try for love
