(Troy Seals - Eddie Setser - Gary Morris)

There's a full moon shinin' like I've never seen it shine  
before  
There's a back seat speaker screamin' turn it up a little  
bit more  
There's a first time couple in a two tone Chevy lookin'  
for a place to park  
There's a place where the night stands still for runaway  
hearts.

Chorus:

Runaway hearts beatin' faster and faster  
Takin' what they can't resist  
Runaway hearts they're just lovin' and livin'  
For nights like this.

There's a new love story being written in the wind  
tonight  
And the thrill's gettin' bigger with the fadin' of the city  
lights  
There's an age old story about a love made in Heaven  
Angels couldn't tear apart  
There's a place where the night stands still for runaway  
hearts.

Chorus:

Runaway hearts beatin' faster and faster  
Takin' what they can't resist  
Runaway hearts they're just lovin' and livin'  
For nights like this...
