(Dave Loggins)

Well, she always knows when I'm running smooth
And she can tell, she knows me so well
And when I'm in trouble who I'll turn to
Well, she's there when I can't stand up alone
And she's there when I've gone too far
And I'm not ashamed to stand here and say girl
I love you and I want you and I'm falling apart.

Chorus:

She keeps me in one piece
She is my strength when I'm tired
She shows me when to believe
When to be on fire.

And I'm not that strong, I have needed so long
To be onto the road that will lead me to the arms of that
girl
Well, she's there when I can't stand up alone
And she's there when I've gone too far
And I'm not ashamed to stand here and say girl
I want you and I need you and I'm falling apart.

Chorus:

She keeps me in one piece
She is my strength when I'm tired
She shows me when to believe
When to be on fire...
