(Gary Morris - David O. Chase, Jr.)

Don't move, don't say a word  
Let it go and it all will pass  
Be still my love a dream  
And I promise you it will not last.

'Cause mornings moments from your bedroom door  
And I am always here  
I'll keep you safe though it's nothing more  
Than life alone you fear.

Chorus:

I will be your shelter  
My love will be your shield  
Shelter  
For you I'm made of steel  
So let the rain beat down upon my chest  
Let the storm clouds gather  
Give me the best  
Let the cold winds whip  
Let 'em rage  
My love will keep you safe and warm inside.

Now go to sleep my love let the fire die  
I'll keep you warm and when you wake again  
I'll be holding you in loving arms  
And in the future all the dreams that come  
You know my words are true  
My strength - my will - my one desire  
Is taking care of you.

Chorus:

I will be your shelter  
My love will be your shield  
Shelter  
For you I'm made of steel  
So let the rain beat down upon my chest  
Let the storm clouds gather  
Give me the best  
Let the cold winds whip

Let 'em rage  
My love will keep you safe and warm inside...
