Gary Morris & Jennifer Warnes

Well I never knew so much trouble til I met you
Never sang in so much rain
But whenever I drown in your sweet dreams
It always brings me pain
Though I come back
Knowing that IÂ'll find love again

Mmm, I must be blind to love you, girl, but I donÂ't
wanna see
If seeing means believing love is lost to you and me
DonÂ't ever let them tell you that thereÂ's no mystery
Love canÂ't be explained, itÂ's simply meant to be

Well I never knew so many people
Who look and donÂ't find love
So they beg and they borrow and steal
IÂ'll take half of the joy, twice the sorrow
If I know love is real
Just donÂ't say that you wonÂ't be back
Cos I know you will, I know you will

I must be blind to love you but I donÂ't wanna see
If seeing means believing love is lost to you and me
DonÂ't ever let them tell you that thereÂ's no mystery
Love canÂ't be explained, itÂ's simply meant to be

Oh, this love is a mystery
Love is a mystery
CanÂ't explain, canÂ't change
I guess it was meant to be

Ooh, I must be blind to love you but I donÂ't wanna see
If seeing means believing love is lost to you and me
DonÂ't ever let them tell you that thereÂ's no mystery
Love canÂ't be explained, itÂ's simply meant to be

Oh, I must be blind to love you but I donÂ't wanna see
If seeing means believing love is lost to you and me
DonÂ't ever let them tell you that thereÂ's no mystery
Love canÂ't be explained, itÂ's simply meant to be
