It must have been cold there in my shadow  
To never have sunlight on your face  
You've been content to let me shine  
You always walked a step behind

I was the one with all the glory  
While you were the one with all the strength  
Only a face without a name  
I never once heard you complain

Did you ever know that you're my hero  
And everything I'd like to be

I can fly higher than an eagle  
'Cause you are the wind beneath my wings

It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know I know the truth  
I would be nothin' without you

Did you ever know that you're my hero  
And everything I'd like to be  
I can fly higher than an eagle  
'Cause you are the wind beneath my wings  
You are the wind beneath my wings
