Why lady why
Do you keep me hangin' on?
Why lady why
Do you treat me like I've come and gone?
You better make up your mind
Make it or take it on home

Why lady why
Do you tell me that you will if you won't?
Why lady why
Do you treat me like you do if you don't?
You better make up your mind
Make it or take it on home

Well, it's all over town
You been slippin' around
You been seein' somebody else
I wanna hear it from you
You got some talkin' to do
Whatcha gotta say for yourself?

Tell me, why lady why
Do you tell me that you will if you won't?
Why lady why
Do you treat me like you do if you don't?
You better make up your mind
Make it or take it on home

Well, it's all over town
You been slippin' around
You been seein' somebody else
I wanna hear it from you
You got some talkin' to do
Whatcha gotta say for yourself?

Tell me, why lady why
Do you tell me that you will if you won't?
Why lady why
Do you treat me like you do if you don't?
You better make up your mind
Make it or take it on home

Make up your mind
Make it or take it on home
