Something here  
Something is cold and you know  
To speak now is to lie  
Sad mistake  
Maybe it's mine but I know  
You wake up with strangers  
Is this love  
If I said goodbye there would be  
No-one to listen  
I could ask  
"How do you feel?" but I know  
You breathe in emotion

So goodbye  
I can't play anymore  
So goodbye  
I'm off the friendship line  
So goodbye  
I'm breathing emotion like some hero  
Breathe in emotion

I could cry  
"Nothing is wrong" but you know  
I don't believe it  
I could write  
Words on a page but I know  
Love doesn't live here  
Look at me  
Look at my eyes and you'll know  
Everything's over  
This is me  
This is my heart and you know  
I breathe in emotion

So goodbye  
I can't play anymore  
So goodbye  
I'm off the friendship line  
So goodbye  
I'm breathing emotion like some hero  
Breathe in emotion

So goodbye  
I can't play anymore  
So goodbye  
I'm off the friendship line  
So goodbye  
I'm breathing emotion like some hero

So goodbye  
I can't play anymore  
So goodbye  
I'm off the friendship line  
So goodbye  
I'm breathing emotion like some hero

So goodbye  
I can't play anymore  
So goodbye  
I'm off the friendship line  
So goodbye  
I'm breathing emotion like some hero
