Cars

Here in my car  
I feel safest of all  
I can lock all my doors  
Its the only way to live  
In cars

Here in my car  
I can only receive  
I can listen to you  
It keeps me stable for ( nights )  
- this is the only wrong word you put days  
In cars

Here in my car  
Where the image breaks down  
Will you visit me please?  
If I open my door  
In cars

Here in my car  
I know Ive started to think  
About leaving tonight  
Although nothing seems right  
In cars
