Sometimes I wonder if God laughs at me
I hear His voice when I sleep
Sometimes I wonder if the Holy Ghost
Is haunting me in my dreams

Save me
Save me

Sometimes I wonder, does an angel die?
Rest in peace, here with me?
Sometimes I wonder if a soul can cry?
I feel a pain next to mine

Can you hear me?
Can you hear me?
I don't think He died for me

I know that Heaven is a burnt out shell
I know forgiveness is the door to Hell
I know confession is a black empty lie
Look in my eyes, look in my eyes

Save me
Save me
Save me
Save me

I know that Heaven is a burnt out shell
I know forgiveness is the door to Hell
I know confession is a black empty lie
Look in my eyes, look in my eyes
