My Jesus is like a voice in the dark.
My Jesus is like a lonely warning.
My Jesus is like a fear that haunts me.
My Jesus is like a tortured memory.

I'm praying for my soul...
I'm praying for my soul...
For my...

My Jesus is a collector of pain.
My Jesus says "Pain will prove you love me".
My Jesus is like a shadow crawling.
My Jesus says "Their screams will guide you to me".

(Feel so warm inside of you)
(Feel so warm...)
(Feel so warm inside of you)
(Feel so warm...)

I'm praying for your soul... (x4)
Soul... (x6)
