This is worst day
Say we are new
We are strong we know how you feel
We are good
We have the answers
How does that sound to you
Boysssss

Well we are poison
We are nothing
Were every bad dream you ever had
This is the face
This is the question
If you can play you lose

Something is here something is wrong
I can feel it
Something is here something is wrong
I can feel it

This is the place
This is nothing
Here we have nothing to lose
Were unseeking
Nudge in the nosebleed
All the holes I live in

Love is a sex mail

Love is an old god
Love is a hole in the wall

Hero whispers
Hero fights
Here Love is hard to find

Something is here something is wrong
I can feel it
Something is here something is wrong
I can feel it

Something is here something is wrong

I can feel it
Something is here something is wrong
I can feel it

Picture a man when the heartbeat stops
Picture a man when the heartbeat stops
Picture a man when the heartbeat stops
Picture a man when the heartbeat stops
O no
