Hollow
Faces staring through my window
Sometimes
I can play a boy you might know
Station
Standing cold and old I'm insane
Gender
Is uncertain just like my name

The lemon kid is my friend
But even he don't know me well
Oh that's too bad
The waiter is an old man
Who looks at me so sly and strange
What's on his mind

Oh didn't I say I'm not one of you
Oh didn't I say I'm not one of you

Queenie
From a doorway says "You got time?"
Panic
Not tonight if you don't mind
Oh no
My fear of streets I cover
Today

My room is home for hours

You can stay if you know your lines
But please take care
I'll suck your mind dry
You'll never guess
And you can never know me
I'll change if I begin to feel
What's your name

Zero hero says I'm no-one
He could be right but who's to know
Man from the sky
Oh well I'm growing tired of this place
I think it's time to change my face

You can't even try

Oh didn't I say I'm not one of you

Oh didn't I say I'm not one of you

Oh didn't I say I'm not one of you

Oh didn't I say I'm not one of you
