I don't wanna hear you talk  
And I don't wanna go for walks  
But I just wanna lay you flat  
Well you think you're so good at that

I've got no time for your sad eyes  
I don't care if you say good-bye  
I don't really think that I want  
Anything to do with your

Out of sight  
Out of mind

The radio continues round me  
Blending faces glaring at me  
How was I to telephone  
Crawl away to end it all

Spiral staircase leads to nowhere  
I can take you somewhere (who cares)  
Dee-dees crazy as a model  
I'd break your heart if I'd got time

Out of sight  
Out of mind

I hate you all I hate you all  
You're breaking down my message wall

Out of sight  
Out of mind

(the two last verses are missing in the cd booklet.)
