I want to feel you hesitate
I want to feel you pull away
I want to feel you realize
That I am not love come to play

I want to feel your pink clean skin
I want to feel your purity
I want to feel you touch my pain
I want to drown in your misery

Hey bitch
This is what you are
Purified
Sanctified
Sacrificed
This is what you are
Purified
Sanctified
Sacrificed
This is what you are

I want to feel your innocence
I want to hear you beg for 'Him'

I want to be your animal
I want to be your only sin

I want to tear your dreams away
And show you hope's last sanctuary
I want to dip your wings in blood
And watch an angel bleed for me

Hey bitch
This is what you are
Purified
Sanctified
Sacrificed
This is what you are
Purified
Sanctified
Sacrificed
This is what you are

This is what you are
