I'm in a big clean room  
There's blood on my shirt  
I'm in bad shape from the crash

Now I know it's all over  
Now I know it's all over you  
Something's wrong.  
Now I know it's all over  
Now I know the hunter's you

Oh you have the face  
But I have the pictures  
A secondhand love in a dying machine

This game turns me cold  
I could show you some things  
A child with a ghost in her eyes cries for me

We break out  
And we break out hungry  
We're looking for the priest  
And we're looking for you

I can't believe the noise  
There's nothing I can do  
We'll never get out of here alive

Something's wrong  
I can't believe it.
