This is
This is emotion calling
Inside
You don't love me
One game
A miracle of invention
You lose
These rules are mine

Dirty pictures
for real
the movies
Move in
Move out
I'm in slow motion

One love
One tear
One night
Of fear
One game
You lose
This is
Emotion

Look left
There's nothing over there but vengeance
Look right
There's nothing over there but greed
Look up
There's nothing up there but rumours
Look down
There's nothing down there but me

Dirty pictures
for real
the movies
Move in
Move out
I'm in slow motion

One love

One tear
One night
Of fear
One game
You lose
This is
Emotion

I'm listening to stories
Of love and affection
That I don't believe
I'm listening to liars
With pretty young faces
And eyes that deceive

One love
I don't want to talk about it
One love

More pain
I don't want to think about it
More pain

Dirty pictures
for real
the movies
Move in
Move out
I'm in slow motion

One love
One tear
One night
Of fear
One game
You lose
This is
Emotion

Dirty pictures
for real
the movies
Move in
Move out
I'm in slow motion

One love
One tear
One night
Of fear
One game

You lose
This is
Emotion

I'm listening to stories
Of love and affection
That I don't believe
I'm listening to liars
With pretty young faces
And eyes that deceive

One more
Another night to remember
One more
Another name to forget
One more
Another young heart to play with
One more
Another young heart to break
